The August 2015 transfer window opening dates

Trainees who have had an unforeseen and significant change in their personal circumstances since the commencement of training will be able to make an application to transfer to another geographical region.

The next application window will open on Friday 31st July at 4pm and will be open for exactly four weeks, closing at 4pm on Friday 28th of August. It will not be possible to submit an application after these times so please get started early to avoid missing the deadline.

Please contact us if you have any questions regarding the application process on:

Changes to Tier 2 visa sponsorship in England

Tier 2 visa sponsorship arrangements for trainees within Health Education England regions are due to change and we have updated our eligibility criteria to reflect this.

These changes will not affect trainees wishing to transfer into or out of Wales, Scotland or Northern Ireland.

For more information, please refer to our [FAQs](#) and the eligibility criteria in the [Trainee Guide to IDTs](#).

Trainee feedback survey report February 2015

Thank you to everyone who has provided feedback to us as part of the February 2015 application window survey. Results and comments are currently being reviewed in order for improvements to the process to be introduced ahead of the next transfer window. Comments ranging from the service provided by the team to the functionality of the application portal will form part of our full evaluation process and results will soon be published on our [website](#).

New arrivals to the team

Welcome to James Compagnone and Zubilla Gauzel who have recently joined National IDT team, which is part of the Trainee and Applicant Support Team in Health Education South London.

February 2015 Transfer Window Round-Up

350 applications were received in the February 2015 transfer window of which 273 were eligible. 150 conditional offers to transfer were made to eligible trainees. This means 55% of eligible trainees were made a conditional offer which is again an improvement on previous windows.

A full overview of statistics will soon be published on our [website](#).
