Important- Exams- Study leave funding supports examination preparation courses ONLY and does not fund exams at any point of a trainees training.

Important- Train the Trainer, Educational Supervisor and Leadership Courses- These courses are for study leave time only. HEE offers trainees the opportunity to attend these types of courses during the course of their training. For example through the Bursary applications, Professional and Generic Skills modules or via the Faculty courses made available to trainees. The educational supervisor courses are available towards the latter part of their training – again through the Faculty Development team – courses will be available on the website.
